**RE: Notice of Intent and Pre-Application Document for Wailua Falls Hydroelectric Project, FERC No. 12534**

Dear Ms. Salas,

This Notice is submitted in order for Pacific Energy Resources, LLC to notify the FERC that it intends to file an application for an original license for the proposed Wailua Falls Hydroelectric Project.

The Licensee has retained the services of Northwest Power Services, Inc. and Ecosystems Research Institute, Inc. to license and operate the proposed project. Pacific Energy Resources, LLC consists of members that are familiar with all aspects of hydroelectric development from the initial licensing process through design, construction and ongoing operations. The members of Pacific Energy Resources, LLC have been and are currently involved in various phases of numerous projects in the past fifteen years including projects in Idaho, Utah, Montana and Hawaii.

Please find attached the required information for the Notification of Intent (NOI) and the Pre-Application Document (PAD). Copies of both the NOI and PAD have been mailed to those entities listed in Section 8 of the NOI.

If you have any questions or need additional information, please contact Brent Smith at (208) 745-0834 or e-mail him at [bsmith@nwpwrservices.com](mailto:bsmith@nwpwrservices.com).

An electronic copy of the PAD and NOI is available at <http://www.ecosysres.com/wailua.html>.

Sincerely,

Elisabeth Evans
